## DESCRIPTION

### Impact ratchet wrench 1/2" 122 nm ORV

#### SECURE:

Only reverse system: the machine cannot make a tightening operation.

#### QUICK:

3 times quicker than a standard machine, you can use it on metal, wood and PVC.

#### POWERFUL:

This machine is one of the most powerful on the market.

Ideal for hard and repetitive tasks.

This is the indispensable tool to face the new technical mechanics requirements.

Only reverse tool: to use together with a torque wrench for the tightening operations, for a better accuracy and control.

This impact ratchet is complete with its ergonomics coat, rear exhaust with silencer, digital torque/speed variator.

Easy to use with a dedicated area for the thumb, and a stop for the index finger.
