## DESCRIPTION

### Pneumatic ratchet wrench 1/2"

**QUICK:** 3 times quicker than a standard machine, you can use it on metal, wood and PVC. **POWERFUL:** This machine is one of the most powerful on the market. Ideal for hard and repetitive tasks.

#### FAST

Three times faster than a conventional ratchet wrench, this is the ideal tool for applications on metal, wood and PVC.

#### POWERFUL

Its impact-type mechanism positions it as the most powerful on the market in its category. Its performance makes it suitable for difficult and repetitive tasks.

This is the essential tool for coping with the new technical constraints regarding mechanics. It comes fully equipped: ergonomic sheathing, rear exhaust on silencer, digital variable torque/speed control. It has a zone for the thumb and a stop for the index finger, ensuring an excellent grip. The connection with the 200l/min multi-flow hose (Ref. 19015-MF) generates 22% air consumption savings.
