DESCRIPTION

Tubular extensions for flank-drive wrenches + clip

Safety: To ensure your interventions are safe, to avoid dropping tools and wasting time, to prevent industrial accidents and improve productivity = Opt for the SAM anti-dropping solution. All the products in the FME range are equipped with a clip preventing you from dropping your tools.

Locking of the extension on flank-drive wrench 109 by means of a stud. Chrome-plate finish. d = external \emptyset .
