DESCRIPTION

20 mm belt sander

PRACTICAL

Capable of multi-position working, it is ideal for removing weld spots.

Sander for applications on large surfaces.

Will be very useful for difficult-to-access and small surfaces. You can use it inside handles, corner brackets and tubes, as well as on edges.

Ergonomic model with directable sheathed handle. Safety trigger and exhaust silencer.

Variable speed control and adjustable arm. Tension mechanism for fast belt changing.
