**DESCRIPTION**

**Consumables for optic headlights**

Micro-finishing abrasive discs for renovating headlight inserts. The foam interfaces are designed to give a better finish, they match the curves of the bodywork perfectly and reduce scratches and shorten the buffing time. The abrasives applied are articles and not substances or dangerous repairs according to the definitions of Directive 1999/45/EC or of regulation EC No 1272/2008.
