## DESCRIPTION

### Multi technical grinder clamp 6 mm

**ERGONOMIC** Contrary to other products on the market, it features a stop that can be used as a rest point for the index finger, which proves very useful for precision of gestures and correct positioning of the wrist in the case of use for long periods. It features a swivel coupling that enables work upside down. **COMFORTABLE** This composite sheath (new formula) insulates the operator, protects from cold and absorbs vibrations. Mini-grinder for use in general maintenance work. Its small overall measurements enable you to execute accurate work. Composite body. Fits snugly in the hand. Ductable, quiet rear exhaust. Variable speed drive. Ergonomic handle that insulates from cold. Excellent power/speed pairing.

Comfortable sheathed casing. Ductable silent rear exhaust. Digital control regulator.

Comfortable sheathed casing. Silent ductable rear exhaust. Control regulator.
