## DESCRIPTION

### Intensive straight 8 mm grinder

**POWERFUL** Its power in watts is nearly double that of the other grinders in our product range. The time factor is the main criteria when it comes to choosing this equipment. **COMFORTABLE** Its 'full hand' handle comes into its own here. Your palm and fingers completely surround the tool, giving a perfect grip which is essential for a grinder used intensively in an industrial context. **GRINDER** designed for intensive use for production or industrial maintenance tasks. Its working torque (745 W / 20,000 rpm) means it is also suitable for repetitive jobs. **SHEATHED** casing handle insulating against the cold. **REAR** exhaust. **VARIABLE** speed control and secure control lever.

## STANDARDS / DIRECTIVES

2006/42/CE, ISO 15744, ISO 28927-2
