DESCRIPTION

Intensive long straight grinder, 8 mm

POWERFUL

With a power rating of 740 W for 19,500 rpm, the time factor is the main criteria when it comes to choosing this equipment. The time saving obtained has been measured at 25% when working inside tubes.

COMFORTABLE

Specially designed for two-handed use. Its 'full hand' handle ensure an ideal position with the secure trigger. The other hand with the profiled spindle is situated perfectly in the axis making it possible to use the machine at full power by pressing perfectly on the part you are working on.

Proposed on the basis of the PTS 1651P and 1653P, this two-hand grinder is equipped with a long spindle to facilitate difficult-to-access jobs, notably inside tubes.

It is much sought-after by metalworkers and locksmiths, etc. for repetitive or large-scale tasks.

Optimum working torque 740 W/ 19,500 rpm.

Sheathed casing handle insulating against the cold. Rear exhaust.

Regulator and secure control lever.
