DESCRIPTION

Adjustable reversible air screwdriver 1800 tr/min

FASTWith its speed of up to 1,800 rpm, you keep the power when you are at 1,500 rpm for complex screws: self-drilling, etc.
COMFORTABLEAt full power, its technical handle (flared, tilted at 2° and insert for your fingers) will allow you to use it for long periods of time.
Renowned for its multi-task applications, this is the tool that our Metallic range is best known for.
Its 'adjustable' clutch, the tool engages by pressing lightly on it, and disengages automatically when the set torque value is reached.
Aluminium body.
One-handed reversing and startup.
Lower exhaust on ductable silencer.
