DESCRIPTION

Round face dinging hammer

POWERFUL: Hickory handle for greater strength and robustness. **PRECISION:** The handle is fitted with a metal wedge that splays out the wood to prevent any ejection. The resin prevents the wood from drying out. **COMFORT:** The shape of the SAM wooden handle provides a good grip and very great mechanical strength.

POWER: Hickory handle for greater strength and resistance. **PRECISION:** Handle fitting is done with a metal wedge that separates the wood, to avoid any ejection. The resin prevents the wood from drying out. **COMFORT:** The shape of the SAM wooden handle ensures a good grip and great mechanical strength.
