DESCRIPTION

Combination spanners in mm + clip

Safety: To ensure your interventions are safe, to avoid dropping tools and wasting time, to prevent industrial accidents and improve productivity = Opt for the SAM anti-dropping solution. All the products in the FME range are equipped with a clip preventing you from dropping your tools.

Forged chrome-vanadium steel. Combination of 2 heads with the same opening, enabling a fast approach tightening with the open-end head and powerful blocking with the flank-head head, whose 15° angle ensures easy operation on flat surfaces. Smooth finish for a comfortable grip. Bright polished chrome-plate finish. Flank-drive head with Surface Drive.
