DESCRIPTION

Extra-thin combination wrench

An ergonomic, lightweight and robust wrench. A wrench that is comfortable to use, that can go everywhere and withstand strong forces.

Ergonomic, lightweight and strong wrench.

Extra-fine combination spanner suitable for all mechanical applications. Slender open-end and extra-fine eye making it easier to access nuts. Spanner designed to reduce its weight while keeping very great strength and improving utilisation comfort. Body wider in the centre to facilitate handling and greater comfort. Eye bent at 15° designed to facilitate handling on flat surfaces. Lightweight, strong spanner. Forged chrome-vanadium steel. Eye with Surface Drive profile for a better grip on the nut, avoiding any risk of slippage.
