DESCRIPTION

Set of 4 upholstery removal tools

This tools allow to disassemble all plastic parts, rods of ornament, review mirror hide, double doors, airings, etc.. without risk without risk to damage them.

4 tools of black nylon 200mm of 0,5mm thickness with the following characteristics:

- 1 tool width 25mm, 1 end bent with 15° and 1 other with right slit - 1 tool width 20mm with raised end and rounded standard spatula
- 1 tool width 20mm with right and pointed end
- 1 tool width 25mm with 1 end split and notched in round-off.

Each tool makes it possible to make several precise applications.

The material used makes it possible to force without striping and risk of breakage of the tool as with traditional plastic.

Delivered with plastic small pocket of arrangement.
