DESCRIPTION

Ultra compact 12V mini booster

The ultra compact battery booster is tailored for the garage. Designed for starting vehicles, it includes alligator clips and has a storage space. The mini booster is also magnetised so it can be fastened anywhere on the vehicle. It has a LED light which comes on red or white, steady or flashing.

Upright design and flashy colouring, this booster is extremely light.

- Max. peak current: 2,000 A
- Starting current: 1,000 A
