**DESCRIPTION****WORKBENCH KIT 1 - LENGTH 2000 MM**

Workbench kit with a 2-metre surface, our workbench is designed to support evenly distributed loads of up to 800 kg. Our workbench kit also comes with a practical drawer and pegboards allowing you to put all your tools away and store them easily, in complete security. The two risers, the two upper pegboards ensure greater versatility for your work space, allowing you to keep everything you need within easy reach. The kit consists of a robust workbench with a superior quality wooden worktop, as well as a practical drawer for easy access to your essential tools. The two risers and two upper pegboards offer you additional storage space allowing you to organise your work space efficiently and maximise your productivity. Kit delivered unassembled.
