DESCRIPTION

SHEET METAL TOP FOR WORKBENCHES

Metal-clad worktop, thickness 40 mm and dimensions 660 x 630 x 40, for your workbench units. With its great compatibility, this worktop adapts to a great variety of workbench units to improve your work space and increase your productivity. This worktop offers a robust and resistant work surface for supporting the heaviest loads. Its design with a thickness of 40 mm also offers an excellent resistance to impacts and scratches, thus guaranteeing maximum durability.
