DESCRIPTION

PEA electric cylinder filling compressor

PRACTICAL Its handles and small size ensure it is easy to transport.

The high-pressure air compressor is the essential tool for achieving total autonomy. It can be used to fill 2L and 9L cylinders to 300 bar. It also includes a bleed and automatic stopping system making this a completely standalone tool. Electrical power supply: 230V / 50Hz - Single phase. Utilisation temperature: -5°C to +45°C. Weight: 42.5 kg. TOTAL PEA AUTONOMY! Refill your cylinders yourself with the PEA compressor!
