## DESCRIPTION

## Bodywork inspection lamp

ESSENTIAL: LED CRI95 for a perfect rendering of the colours

Inspection lamp for COB technology LED enabling diffusion of 2 colour temperatures and of 2 light intensities, while ensuring an optimum colour rendering index (CRI>95 with 4,500K). Ideal for bodywork and detailing, for precise and exact identification of the colour shade to be reproduced, thus limiting the risks of differences of shades between parts once the job has been completed.

Characteristics:

- 360° swivel hook
