## DESCRIPTION

### 9-drawer tool trolley

Comfort: Workstation height brought to 1 m. Safety: Anti-tipping system, no opening of the drawers thanks to the automatic locking system. Long life: Resistant to hydrocarbons, solvents, brake fluids. Functional: 30% more volume than the previous version, with many storage possibilities! Side container (BAC-41Z) + screwdriver storage on the handles + system for clipping to the side panels.

30% more volume, plenty of storage possibilities (side bins, tool-support meshes and storages for screwdrivers). Anti-tipping system, no opening of the drawers when moving thanks to the drawer locking system.

SERVI-930N new-generation tool trolley. Dimensions: Height: 1,000 mm. Width: 834 mm. Depth: 510 mm. 9 drawers x 73mm. Withstands up to 950 kg in static position, 700 kg in movement. Useful load per drawer: 30 kg. Central key locking. 2 fixed wheels. 2 swivel wheels one of which with brake. Individual drawer blocking / release system, unlocking by clip. Automatic system for locking the drawers each time they are closed, opening by flipping the clip on the handle. Allows the SAM-range ABS and foam storage modules to be used.
