DESCRIPTION

Short tape measures - two-material + clip

Safety: To ensure your interventions are safe, to avoid dropping tools and wasting time, to prevent industrial accidents and improve productivity = Opt for the SAM anti-dropping solution. All the products in the FME range are equipped with a clip preventing you from dropping your tools.

Accuracy class II. Compliant with European directive 2014/32/EU. **STRENGTH:** Steel tape with nylon coating to limit the erasure of the graduation. **READABILITY:** The matt tape ensures perfect readability whatever the lighting or reflection conditions. This directive applies to dimensional measuring. **ERGONOMIC:** The shape of the casing ensures a perfect grip. **PRACTICAL:-** Belt clip: the SAM short two-material tape measures have a removable belt clip in line with your utilisation habits- Blocking of the tape: the blocking button fits perfectly into the casing to keep a good compactness.
