DESCRIPTION

Short tape measures - two-material + clip

Safety: To ensure your interventions are safe, to avoid dropping tools and wasting time, to prevent industrial accidents and improve productivity = Opt for the SAM anti-dropping solution. All the products in the FME range are equipped with a clip preventing you from dropping your tools.

Accuracy class 2. Compliant with European directive MID 2014/32/EU STRENGTH: Steel tape with nylon coating to limit the erasure of the graduation. READABILITY: The matt tape ensures perfect readability whatever the lighting or reflection conditions. This directive applies to dimensional measuring. ERGONOMIC: The shape ensures a perfect grip PRACTICAL: - Belt clip: the SAM short two-material tape measures have a removable belt clip in line with your utilisation habits. - Blocking of the tape: the blocking button fits perfectly into the casing to keep a good compactness.
